

Second Charge sourcing *at your fingertips*

Second charge loans are a good alternative to offer clients looking to top up their existing mortgage products or to those looking for funds for debt consolidation or home improvements without disturbing their current favourable rate.

LoansBrain provides an easy way to quickly source a second charge loan, free and with no sign up.

"The system was very easy to use & very fast response from conveyancer! I definitely will be looking to use the service with every client..."

True Potential Wealth Management LLP

-  Free to use website with no need to register
-  Accurate online whole of market second charge loan sourcing
-  Very easy to use - advise or refer your clients
-  Quick and Detailed sourcing options available
-  Refer your clients direct to a Master Broker
-  Free training webinars and support available

Choose the 'Quick Source' option for an indicative quote and then switch with no additional rekeying to a 'Detailed Source' for a more comprehensive search – forward the product chosen with the customer's details directly to the Master Broker or simply use the enquiry button.

A second charge loan can be a good option when your client:

-  Doesn't want to disturb their existing competitive mortgage rate
-  Needs to raise capital for a non-traditional purpose
-  Needs early settlement flexibility
-  Wants to raise funds quickly with no upfront fees to pay
-  Is unable to obtain a re-mortgage or further advance
