

Headline speakers announced for Mortgage Vision 2016

UK, August 3, 2016: The Association of Mortgage Intermediaries (AMI) and Nationwide/The Mortgage Works have been announced as the headline speakers for this year's Mortgage Vision events.

The eight, national, free to attend events, will take place during October and November 2016 and are organised and hosted by Mortgage Brain.

Designed to support all areas of an adviser's business, the Mortgage Vision events will give attendees a fresh insight to the UK mortgage market as well as providing inspiration for improving performance and revenue for their business.

Mark Lofthouse, CEO of Mortgage Brain, comments, "With over 800 advisers attending in 2015, the Mortgage Vision events have gone from strength to strength and are considered to be one of the best and most informative mortgage events of the year.

"The events offer a winning formula for advisers' wanting to get a better understanding of the current mortgage market and with the support of AMI and Nationwide/The Mortgage Works we're looking to build on the success of previous years and give even more back to those that attend."

Dates, locations and booking details for this year's events are due to be announced later this month – www.mortgagevision.net.
