

## John Charcol selects MortgageBrain Anywhere for online mortgage sourcing

**UK, January 26, 2016:** Leading independent mortgage broker, John Charcol, has exclusively selected Mortgage Brain's online sourcing system, MortgageBrain Anywhere, as its mortgage sourcing technology solution.

By using MortgageBrain Anywhere, John Charcol's team of over 80 mortgage advisers are now equipped with the industry's most innovative sourcing system to conduct a quick, yet thorough search and selection process to find the best deals for their customers, according to their individual circumstances.

The system's unrivalled product accuracy and online capabilities offers brokers the freedom and a new level of flexibility to source mortgages on any device or platform anywhere.

Walter Avrili, Managing Director at John Charcol, comments, "Our first responsibility is to our customers and achieving the best possible outcome for them using products from the whole of the market. We look for technology that allows us to do this, while keeping our operations efficient.

"The features and capabilities of Mortgage Brain's online sourcing system ensure we continue to deliver a professional, fast and personalised service for our customers. We're looking forward to a long and beneficial partnership with Mortgage Brain."

Optimised for PCs, Laptops, Macs, the iPad and Android tablets, MortgageBrain Anywhere can be 'driven' by touch or mouse and is fast, intuitive and incredibly easy to use and will enable brokers to work quickly and efficiently to source and select the best products for their clients.
