

Mortgage Brain to launch the MortgageBrain Glove

(Embargoed: not for publication or broadcast transmission prior to 8.00am, April 1, 2014): Mortgage Brain, the multi-award winning mortgage technology solutions provider, has announced today the launch of MortgageBrain Glove – the industry's first ever mortgage sourcing glove.

Providing whole-of-market sourcing to your fingertips, the MortgageBrain Glove will feature all the key functions of MortgageBrain Classic and MortgageBrain Anywhere to enable mortgage sourcing to be carried out quicker than ever.

Developed in partnership with specialist manufacturers, the MortgageBrain Glove is a state-of-the-art, high-tech product that is lightweight, comfortable, moisture-resistant and can be charged and powered by USB or solar.

Mark Loffhouse, CEO of Mortgage Brain, comments, "We've been working hand in glove with a leading technology development consultancy to create a product that makes mortgage sourcing easier than ever.

"For the first time, brokers will quite literally have a whole-of-market sourcing capability at their fingertips. It's an incredibly powerful tool to help them source mortgages wherever they are – and impress their clients too!"
