**UK, September 18, 2013:** Award winning mortgage technology solutions provider, Mortgage Brain, along with Nationwide and Virgin Money, have joined forces to host the 2013 series of eight nationwide Mortgage Vision events, which are taking place throughout October and November.

Following the success of last year's events, the 2013 Mortgage Vision events –'the intermediary events of the year' - are free to attend and have been put together to give intermediaries a strategic insight into the future of the UK mortgage market.
