

Commercial Trust extends partnership with Mortgage Brain

UK, May 30, 2017: Commercial Trust, one of the UKs largest brokers specialising in commercial, buy-to-let and bridging loan solutions, has extended its partnership with Mortgage Brain and is now offering the Key, MortgageBrain Classic and MortgageBrain Anywhere to its advisers.

As part of the agreement, Commercial Trust's mortgage advisers can use the Key, Mortgage Brain's point-of-sale and CRM system, to manage and run their back office compliantly, securely and efficiently.

Supporting the sale of mortgages, insurance, life, loans and other financial products, the Key, which is renowned for its comprehensive point-of-sale and CRM capabilities, makes Commercial Trust's business processing efficient and robust, and easy for advisers to use.

Commercial Trust's advisers can also continue to use and choose between both of Mortgage Brain's comprehensive and accurate sourcing systems, enabling them to offer a fast and thorough, whole-of-market search and selection mortgage process for their clients.

Andrew Turner, Group Chairman of Commercial Trust, comments, "With the ongoing developments and enhancements it makes to its systems, Mortgage Brain continues to lead the field in the provision of the latest and most up-to-date mortgage technology solutions.
