

PRESS RELEASE

Mortgage Vision Events continue to prove popular for Advisers

UK, 12 December – The 2019 series of Mortgage Vision has concluded with 12 successful events having taken place nationwide from the end of September through to late November. More than 1,000 mortgage advisers came to the CII accredited events from Birmingham to Belfast and Manchester to Maidenhead – to learn, network and challenge.

Since 2009, Mortgage Vision has offered advisers the opportunity to stay well informed and connected to Lender, Partner and technology developments and regulatory activity. The format enables advisers to network with their peers, to discuss the challenges faced and gather key mortgage information from 11 different organisations.

This year's delegates heard platform presentations from Robert Sinclair, AMI Chief Executive, who shared details of recent activities on behalf of the adviser community with the FCA including the forthcoming Senior Managers and Certification Regime (SMCR). Emily Machin, Head of National Accounts at OneSavings Bank, gave insights into the economic impacts on the industry and the value of the broker, while Mark Loffthouse, CEO at Mortgage Brain shared technological developments set to transform mortgage sourcing and how advisers interact with their customers.

Now in its 10th year, Mortgage Vision 2019 was supported by Coventry for Intermediaries, Fluent for Advisers, Mortgage Brain, NatWest, OneSavings Bank, Royal London, Santander for Intermediaries, Skipton Intermediaries and Together with Progressive BS making a guest appearance at the Belfast event. It has proved a triumph with 97% of mortgage advisors rating the events 'excellent' or 'very good' and 99% saying they would recommend the event to their peers.

Mark Loffhouse, CEO, Mortgage Brain comments: "This year's Mortgage Vision has offered insights that are critical for any broker to navigate the changing customer-centric and regulatory landscape in our industry. I'm proud that through these events, we continue to help the country's advisers remain informed and in touch with the many aspects of this market that affects them daily."

The Mortgage Vision events take place each year during September, October and November. For more information visit: www.mortgagevision.net
